EdCamp: Empowering Students through Voice and Choice

Presentation: [View my presentation.](#)

Session Board: This is a sample of a digital session board. It is one that can be easily recreated and used with educators and students.

Sample EdCamp Site: This is the site we have created in New Mexico for Educators to refer back to for resources and notes from the sessions they attended.

Flipgrid: [Try it out. Leave me a message. See how easy it is.](#)

Slidesmania: These are amazing Powerpoint and Google Slides templates that can be used for educational purposes.

EdCamp Foundation: [Learn all about hosting an EdCamp](#)

Flipgrid.com: [Free resource to use with Educators, Students, Administrators. Sign up today for your free account.](#)
